Introduction

We want Truck Festival to be accessible to everyone! We work with [Attitude is Everything](#) to continue to meet the needs and requirements of all our customers.

Truck Festival takes place on a farm in Steventon, Oxfordshire

Large areas of the festival site are **flat**. The majority of the terrain is grass. We lay **trackmat** in high footfall areas to make routes accessible for wheelchairs.

The festival can be busy and have loud music. There may be **strobe lighting** used during performances. Our screens will display a message before these performances take place. You can take a look at this year's [line up here](#)

There are lots of stages and areas to visit. Including **Comedy in the Rockin Chair** and the Famous '**Feel Good Food Hall**'
